Winter of 1925

Plants of Florida

H. J. Koehler
(c/o Olmsted Brothers, Brookline, Mass.)

1 Habenaria repens Nutt.
2 Fuirena scirpoidea Michx.
3 Lachnanthes tinctoria (Walt.) Ell.
4 specimen insufficient
5 Juncus
6 Diodia teres Walt.
7 Sophronanthe hispida Benth.
8 Hypericum fasciculatum Lam., var. aspalathoides (Willd.) Chapm.
9 Panicum pauciciliatum Ashe
10 Diodia teres Walt. ?
11 Ilysanthes grandiflora (Nutt.) Benth.
12 Hydrocotyle umbellata L.
13 Centella repanda (Pers.) Small
14
15 Acrostichum excelsum Maxon
16 Croton argyranthemus Michx.
17 Chrysopsis argentea Pers.
18 specimen insufficient
19 Polanisia tenuifolia T. & G.
20 Rynchospora fascicularis (Michx.) Vahl.
21 specimen insufficient
22 Chrysopsis
23 Cyperus Haspan L.
24 " Lecontei Torr.
25 Richardia scabra St. Hil.
26 Chrysopsis trichophylla Nutt.
27 Eupatorium recurvans Small
28 Juncus aristulatus Michx.
29 Juncus
30 Gomphrena dispersa Standl.
31 Sabatia grandiflora (Gray) Small
32 Bumelia tenax (L.) Willd.
33 specimen insufficient
34 Psychotria undata Jacq.
35 Lyonia ferruginea (Walt.) Nutt.
36 Nolina Brittoniana Nash
37 Ascyrum tetrapetalum (Lam.) Vail
38 Paronychia herniarioides (Michx.) Nutt.
39 Penstemon multiflorus Chapm.
40 Polanisia tenuifolia T. & G.
41 Quercus myrtifolia Willd.
42 specimen insufficient
43 Quercus
44 "
45 Polygonella brachystachya Meisn.
46 Persea humilis Nash
47 Dodonaea viscosa L.
48 specimen insufficient
49 Pterocaulon undulatum (Walt.) Mohr
50 Galactia Elliottii Nutt.
51 Cyperus cylindricus (Ell.) Britton
52 Gratiola pilosa Michx.
53 Ludnigia
54 Manisuris tuberculosa Nash
55 Hypericum opacum T. & G.
56 Prunus: just possibly P. geniculata Harper, though not a good match as to bark, etc., for our single flowering specimen of that species.
57
58 specimen insufficient
59 Actinospermum angustifolium (Pursh) T.&G.
60 specimen insufficient
61 Eriogonum floridanum Small
62 Hypericum ? specimen insufficient
63 Rhynchosia cinerea Nash
64 Hypericum tenuifolium Nutt.
66 Stillingia sylvatica L.
67 Eupatorium recurvans Small
